If you are planning a holiday **longer than 3 weeks** during the middle of the term and you notify us before the invoices go out, then we may be able to accommodate.

Pick Up's & Drop Off's

We are more than happy for students to stay back after their class IF there is another class running after them. But if it is the last lesson of the day you **MUST** pick them up on time. Our teachers will never leave students unattended. But if you are later than 10min it will be noted by our teachers. We understand life is busy and hectic so if it happens once or twice a year we understand.

Showcase & Costumes

- We will be hosting one end of year showcase to present each age groups hard work. Each age group will require two costumes for the showcase (we will keep these reasonably priced). All students attending classes through to term four will be asked to be a part of the presentation.
- All students/parents are sent the date of the show months in advance, as we need to start preparing costumes. If you are unable to attend and haven't given us notice within two weeks after the date has been sent out or if a student drops out after we have purchased their costumes for these shows, payment will still need to be made and refund will not be available to you.
- Costume invoices will be sent out through paypal. We accept cash, direct debit or payment through paypal. When handing in payments, please put in a clearly marked envelope with your name, the amount and payment description. Once payment has been made, we are unable to give refunds. Student & Parent Etiquette

We strive to create a friendly and welcoming environment at Rewind Dance Studios. In order to do this we feel it is worth addressing some general etiquette requirements to ensure that we are loving one another at our studio.

- Parents/Guardians will be asked to not watch/sit in the main part of our studio for our lessons, unless given permission by the teacher to do so. This is required for all classes, as it is too much of a distraction for our students. The doors will always be kept open to the studio for student safety purposes and we have a waiting area where you can see the students.
- Once the class has commenced, if parents/guardians are able to wait until the end of the lesson to speak to the teacher so that the lesson is uninterrupted.

- We require our students and teachers to have a high level of respect for one another during the class. Swearing and inappropriate behaviour is not permitted.
- Regular attendance to classes is expected. If you are unable to attend, please send a text to your teacher.
- If waiting in one of our designated areas while your children are dancing, please keep your voices/volume at a reasonable level, so as to not distract the class.

Let's keep being KIND AT REWIND friends!

Health & Safety Procedures

- Students must be escorted INTO the studio by their parent/guardian and must be escorted OUT of the studio by their parent/guardian. Please do not wait in the car for your kids. You will be waiting a very long time!
- If a student is being picked up or dropped off by someone other than their parent/guardian, your teacher must be informed. Students are not permitted to leave the studio without their parent/guardian.
- During our fireflies & creative critters classes, parents will be asked to take their child to the bathroom when needed if they are on site. If a parent is not on site, the teacher has permission to take the student to the bathroom if the student is unable to do so by themselves. Please know with these age groups we never lock the door to the bathroom and if a child needs assistance, the door is kept wide open so as to keep all things above board and safe for our students.
- Parents/Guardians are not allowed to take pictures or videos of our students during class. This is for the protection of our students.
- All teachers at rewind have the contact details & emergency contact details of all parents/guardians on them AT ALL TIMES in case of an emergency. You will be called immediately if there are any concerns about your child.
- We do not allow parents/guardians backstage at our shows. This is for many different safety reasons. We have our teachers overseeing the students and select parent helpers overseeing proper childcare procedures during these times and all helpers must have their Working With Children Checks.
