## *Concerts & Costumes*

We feel performing in concerts are an important part of growing as a dancer, in confidence and performance skills. It's also a brilliant way to showcase all the hard work the students have put in over the year by performing and loving the stage element to dance!! We will be holding two concerts; a mid-year and end of year.

Costumes will be required for these concerts which we'll endeavor to keep reasonably priced. All students attending classes in term two and term four will have costumes ordered for them. As we have to start organizing costumes for the mid-year & end of year concerts, students attending during these terms will have their measurements taken and costumes will be ordered for them. **Payment MUST be made for these costumes EVEN if a student chooses to drop out during these terms.** Any questions regarding these requirements, please let us know.

We love to use the gift of dance here at Rewind, to bring people together and to help others in need. Therefore, we hold our annual Christmas Charity Concert as our end of year performance, where the money raised is donated to Compassion Australia.

## *Health & Safety*

- **Students must be escorted INTO the studio by their parent/guardian and must be escorted OUT of the studio by their parent/guardian. Do not wait in the car for your kids. You will be waiting a very long time!**
- If a student is being picked up or dropped off by someone other than their parent/guardian, your teacher must be informed. Students are not permitted to leave the studio without their parent/guardian. (These rules do not apply for students over 18yrs).
- At certain studios, our students are required to go in pairs to the bathroom. During our littliez classes, parents will be asked to take their child to the bathroom when needed. If a parent is not on site, the teacher has permission to take the student to the bathroom if the student is unable to do so by themselves. If you have any issues with this please let us know.
- **Rewind's Disclaimer** - We understand that all teachers and staff at Rewind Dance Studios make every effort and take seriously the sensible and reasonable care of their students, but cannot be held responsible for any injuries that occur while attending classes or waiting for parents or pick ups. And in the case of an emergency I (parent/guardian) authorize them to take any action deemed necessary.
- Parents/Guardians are not allowed to take pictures or videos of our students during class.
- All teachers at rewind have the contact details & emergency contact details of all parents/guardians in case of an emergency. You will be called immediately if there are any concerns about your child.

## *Student & Parent Etiquette*

We strive to create a friendly and welcoming environment at Rewind Dance Studios. In order to do this we feel it is worth addressing some general etiquette requirements to ensure that we are loving one another at our studio. Parents/Guardians will be asked to not watch our lessons unless given permission by the teacher to do so. This is required for all classes, as it is too much of a distraction for our students. Once the class has commenced, if parents/guardians are able to wait until the end of the lesson to speak to the teacher so that the lesson is uninterrupted. We require our students and teachers to have a high level of respect for one another during the class. Swearing and inappropriate behavior is not permitted. Regular attendance to classes is expected. If you are unable to attend, please send a text to your teacher. Lets keep being KIND AT REWIND friends!
